5 27-20.4 as follows:

6 (105 ILCS 5/27-20.4) (from Ch. 122, par. 27-20.4)

7 Sec. 27-20.4. Black History Study. Every public elementary
8 school and high school shall include in its curriculum a unit
9 of instruction studying the events of Black History, including
10 the history of the African slave trade, slavery in America, and
11 the vestiges of slavery in this country. These events shall
12 include not only the contributions made by individual
13 African-Americans in government and in the arts, humanities and
14 sciences to the economic, cultural and political development of
15 the United States and Africa, but also the socio-economic
16 struggle which African-Americans experienced collectively in
17 striving to achieve fair and equal treatment under the laws of
18 this nation. The studying of this material shall constitute an
